BUG
modular seating system
with included tilting

CRASH TESTED

BUG with base 869 passed CRASH TEST according the ISO 7176/19 and ANSI RESNA WC/19

MADE IN ITALY since 1980

by ORMESIA
the only one with tilting system in the seat
adjustable, it grows with the child, it can be positioned both on indoor and outdoor bases

- Safety and practicality
  - Guided locking system on flat surface, it is visible, practical and safe

- Compactness
  - Compact outdoor bases

- Versatility
  - It can be positioned on outdoor and indoor bases

- Adjustments
  - Continuous movement and without snaps, it can be operated by one hand
  - It doesn't have to be reset after removing or moving the seat

- Posture
  - It grows with the child, it can be positioned both on indoor and outdoor bases
adjustable on 4 bases
and on any flat surfaces

- **869 four-wheel outdoor base**
  Light solid wheels, sliding on all surfaces, with direction locks, independent drum brakes

- **856 indoor high-low feeding base**

- **851 indoor high-low compact base**

- **850 indoor compact floor base**
- **headrest incorporated in the backrest**
  your child’s head is always supported during the tilt adjustments of the seat and of the backrest, also without accessories

- **rigid backrest, reclinable and adjustable in height**

- **lock/unlock system on flat surface with safety button**
modular system
2 sizes with wide range of adjustments
the seat grows with the child

▶ tilt in space seat unit with adjustable seat
(reversible size Small, 869 base)

▶ The adjustment joints of the seating unit get closer to the user joints (coxo-femoral, knee and tibia-tarsus joints). Thus determining great comfort as posture is not changed while adjusting and without any pressure attacks

▶ Tip-up foot rest, with foot flex-extension adjustment and legrest adjustable in height and tilt
accessories

863 Headrest with parietal supports, height, width, tilt and backward-forward adjustable

852 Headrest with parietal supports, height, width adjustable

942 Ergonomic headrest, adjustable in height, tilt and forward-backward with adjustable sides. Size L (large) available for special case (e.g. hydrocephalus)
