Read carefully the user and
maintenance manual

FEATURES

- **Adjustable handlebar** in height, backward-forward and reversible.
- **Wide and ergonomic handles**, to increase comfort.
- **Steering limiters with springs**, that allow the handlebar to return to the central position. Releasing to allow more steering. It's possible to choose between two different elastic strengths.
- **Memory foam padded trunk support**, adjustable in height, backward-forward and free-angle tilt, with breathable padded upholstery, easily removable for washing.
- **Front brake with locking device** for ascent and descent, that can be operated by the lever either on the right or on the left side of the handlebar. The distance between the brake lever and the handlebar is adjustable by screw.
- **Ergonomic saddle** adjustable in height, tilt and anterior-posterior direction.
- **Pneumatic tires** with reflector stripes.
Quick release front wheel.
Rear wheels easily removable with key.
