FEATURES

- More sizes in one frame
- Frame: light and umbrella folding system, in aluminium. It is painted with non-toxic epoxy powders. When folded Trollino is compact and it allows you to carry it as if it was a travel trolley.
- Push handles with manual and parking brakes.
- Resistant and durable backrest guaranteed by the cross on the back. Reclinable on three positions and easily adjustable in height.
- Slightly tilted seat. It is easily adjustable in depth and width thanks to padded pelvic side supports (additional components 958). The cross below ensures stability, comfort and durability.
- Extremely breathable upholstery (not removable). It is resistant and easily washable. Fire Retardant according to EN 1021-1:2014 and EN 1021-2:2014.
- User manual bag and wrench on the back of the backrest.
- Legrest adjustable in height.
- Elevatable and swivel footrests, without encumbrance.
- Solid wheels: 17 cm (7 in) front swiveling wheels and 25 cm (10 in) rear wheels with independent drum brakes. Overcoming step bar on both rear wheels.
