Attention!  
Read carefully the user and  
maintenance manual

### FEATURES

- **More sizes in one frame**
- **Frame:** light and umbrella folding system, in aluminium. It is painted with non-toxic epoxy powders. When folded Trollino is compact and it allows you to carry it as if it was a travel trolley.
- **Push handles with manual and parking brakes.**
- Resistant and durable **backrest** guaranteed by the cross on the back. Reclinable on three positions and easily adjustable in height.
- Slightly tilted **seat**. It is easily adjustable in depth and width thanks to padded pelvic side supports (additional components 958). The cross below ensures stability, comfort and durability.
- Extremely breathable **upholstery** (not removable). It is resistant and easily washable. **Fire Retardant** according to *EN 1021-1:2014* and *EN 1021-2:2014*.
- User manual **bag** and wrench on the back of the backrest.
- **Legrest** adjustable in height.
- Elevatable and swivel **footrests**, without encumbrance.
- **Solid wheels:** 17 cm (7 in) front swiveling wheels and 25 cm (10 in) rear wheels with **independent drum brakes**. **Overcoming step bar** on both rear wheels.
